Desktop Ergonomics provides training for Cornhusker Bank

Desktop Ergonomics

Desktop Ergonomics, an office ergonomics consulting company, provided ergonomics training for employees of **Cornhusker Bank**, coordinated through its wellness committee. Basic principles of ergonomics, recognizing risk factors, and ways to implement low-cost improvements were discussed.

Desktop Ergonomics promotes proactive occupational health through education, workstation assessments, and expert product recommendation. Let Desktop Ergonomics help your company reduce health costs... one workstation at a time. For more information, visit www.desktopergo.com or call (402) 430-4845.
